

2023 El Viñador Albariño

Blend: 100% Albariño

Vineyard Site: Evergreen Vineyard, Ancient Lakes of Columbia Valley AVA, Washington

Tech Data:

Winemaker: Victor Palencia

Tasting Notes: Presenting with a golden hue the Viñador Albariño has an enticing nose of pear, white peach, and elderflower, with green herb elements running underneath. The palate transitions to orange blossoms, honey, peaches, apples, and herbs again. Minerality is the defining characteristic of Evergreen, and both the nose and palate give one the sense of crushed seashells and sea air. This is a great drink now wine but can easily age well for the next five years or more.

Retail Price: \$28
