Tasting Notes: The aromas of lemon twist and tropical fruit intensify in this wine as the floral attractive notes invigorate the senses with its exotic appeal. Albariño is predominant white varietal in the Northwestern region of Spain. This aromatic white wine grape shines in the renowned caliche soils of Washington Ancient Lakes AVA. A 30-day fermentation in Hungarian oak gave this Albariño its golden yellow color and supple mouthfeel & texture. The flavors of apple, peach, pear and lemon zest are framed with bright minerality that coats and refreshes the palate. Enjoy the Galicia style lingering mineral notes chilled with your favorite seafood & salads.
