

2023 Palencia Sauvignon Blanc

Blend: 100% Sauvignon Blanc

Vineyard Site: Frenchman Hills Vineyard, Royal Slope AVA, Washington

Tech Data:

Winemaker: Victor Palencia

Tasting Notes: A wonderful straw color belies the complex tropical notes on the nose rounded out with a sense of minerality and restrained acidity that defines the Palencia Sauvignon Blanc. On the palate notes of pineapples, green papaya, and lychee are wrapped in a well-structured mouth feel with the salinity of the nose carrying through. An excellent drink for all seasons, but best suited for the warm Washington summers.
