

## 2023 Palencia Albariño

**Blend:** 100% Albariño

**Vineyard Site:** Various sites across the Columbia Valley AVA

**Tech Data:**

**Winemaker:** Victor Palencia

**Tasting Notes:** A defined yellow color with a nose of green apple candy and delicate flowers wrapped in pear, the 2023 Palencia Albariño has an engaging nose that brings the drinker inward. On the palate, pears, honey, and flower blossoms leave a delicate mouth feel with a cleansing element from the hint of acid on the back palate. A wine worth drinking now, either alone or with food.

**Retail Price:** \$24
