

2023 Palencia Rosélia, Rosé

Blend: 100% Pinot Noir

Vineyard Site: Two Gun Vineyard, Ancient Lakes of Columbia Valley AVA, Washington

Tech Data:

13.00% ABV

Winemaker: Victor Palencia

Tasting Notes: A delicate pink with copper notes on the edges, the wine has an inviting nose of red fruits, in particular cranberries and raspberries. Underlying everything is a sense of minerality – crushed seashells typical of the Ancient Lakes AVA – and red flowers. On the palate the cranberries fall away and are replaced by a combination of raspberries and candied strawberries. With a good but not overwhelming acid on the backbone this wine is sure to please on its own or with food.

Retail Price: \$28
